

# Harper & Pearson Company, P.C. Tax Consulting Services

Harper & Pearson Company, P.C. has an established reputation for providing high quality professional tax consulting services. This reputation was established by being responsive and accessible to our clients and by demonstrating our commitment providing tailored solutions to their specific tax-related challenges.

With a thorough understanding of client goals and objectives, we help them prepare and position for the future. The cornerstone of Harper & Pearson Company, P.C.'s tax practice is proactive planning in order to help clients develop and meet their goals.

As a member of the Pannell Kerr Forster (PKF) North American Network, we have access to tax professionals in 120 countries coordinating efforts in the handling of international tax issues. Our guiding concept of focused planning throughout the year combined with our taxation expertise and business backgrounds differentiate our tax practice.

**We remain focused on the importance of building enduring relationships.**

Our CPA's dedication to our clients is evident as they combine in-depth knowledge and experience that enables clients to make informed financial decisions. Harper & Pearson Company, P.C. is dedicated to staying on top of new and emerging trends and developments in tax laws. We translate this knowledge into value as we offer clients the depth, dimension and experience through our consulting services.
