

CONSTRUCTION AND REAL ESTATE: **PERSPECTIVES FROM PROFESSIONALS**

Harper Pearson draws upon a deep understanding of construction and real estate to provide unmatched support and service throughout these industries.

When it comes to construction and real estate, costs and services are often accounted for in vastly different ways than in other verticals. When you work with Harper Pearson, you can rest assured that our team of professionals are in-tune with the ever-changing industry standards, and ready to help you on day one.

BUILT ON A SOLID UNDERSTANDING OF **CONSTRUCTION AND REAL ESTATE**

Harper Pearson boasts a talented team of real estate and construction professionals who understand the changes and challenges facing the sector. We're prepared and eager to support our clients with everything from contract compliance to overhead analysis.

| NAVIGATE **TAX LAWS**

With new legislation comes new opportunity. Whether you're a developer, investor, contractor or operator, Harper Pearson can help you better understand the exclusions, exemptions, deductions and incentives that better position your tax strategies for efficient growth while maximizing profitability.

| STRATEGIC **CONSULTING**

We know the best practices and how to recognize revenue for progress payment contracts and account for unique operating expenses related to your business. That's because the team at Harper Pearson keeps an ear to the ground when it comes to the latest trends affecting construction and real estate.

| PERFORM **AUDITS**

Our team is extremely meticulous. At Harper Pearson we get down to every last detail, from revenue streams to contract structures, we test and verify information with profound efficiency to be sure our clients in construction and real estate can build their finances on solid ground.

| OUTSOURCED **ACCOUNTING**

Harper Pearson offers range of outsourced accounting options for the real estate and construction industries. We can relieve some of the heavy lifting by taking the load off your business's accounting tasks, providing confident and professional service in any capacity — either as your designated accounting partner, or on a case-by-case basis.
